Mr. Kotz –

We were contacted by attorney Orlando J. Mayo of The Mayo Law Group in Baltimore, 410-727-6296, [Orlando@mayolawgroup.com](mailto:Orlando@mayolawgroup.com), advising that he is representing the customer and that he intends to file a motion to quash. I was mistaken when I said that he has already sent us a motion to quash – he has not yet done so. He did send us a letter informing us of his intentions, and per our legal department, he has until 10/27/2011 to provide us with a properly filed motion to quash or we will comply with the subpoena. Please contact Mr. Mayo with further questions about his representation of the customer.
